

CHORAL SCHOLARSHIPS 2022-2023

2 Tenors and 2 Basses

for local 6th form/students

**St Mary
Beddington**

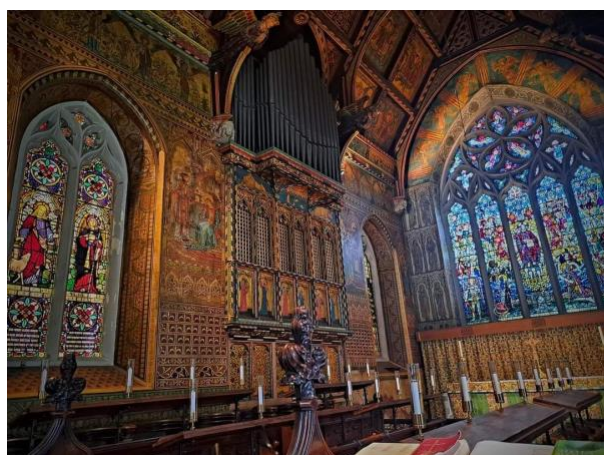

Church Road, Wallington
stmarysbeddington.org.uk

- Be part of an exciting musical journey of church music
- Develop your singing and music reading as part of a choir family
- An excellent platform for those considering music/singing/choral awards at university
 - Sing in the beautiful surroundings and acoustic of the medieval St Mary's church
 - Be part of a fun, kind and nurturing community
- An expectation to sing at least 5 services a month + Wednesday rehearsals (7.30-9.00pm)
(room for flexibility on dates.)
 - £150 a term

For many years St Mary's has enjoyed a long musical tradition that has enhanced church services and given inspiration to all who have worshipped here. Generations of singers and other musicians have not only received support and encouragement for their music making, but in many cases have gone on to use this experience as a springboard for a lifetime of musical fulfilment. Previous scholars now play leading roles in Cathedral and professional ensembles. We aim to maintain and develop this established heritage and preserve it for those who will follow.

St Mary's reflects the broad Anglican choral repertoire within a traditional liturgy and maintains a regular choir of trebles, lady altos and men. We currently number about 16 singers and want to grow! The choir sings at the two main services on Sundays: the 9.30 am Parish Eucharist and Choral Evensong at 6.30pm. Our repertoire ranges from plainsong through to contemporary motets.

We are looking for keen and enthusiastic 6th formers/students to augment our choir and further development our music provision. This is an excellent platform for those considering music/singing/choral awards at university. Candidates should have previous singing experience and be confident music readers.

Mrs Pam Akhurst BA Dip.Ed
Choir Director

Mr David Moore MA FRCO
Organist
